

CANYON CAMP - SCOUT RELEASE REQUEST FORM

If a Scout is leaving Canyon Camp's property early — before the unit's normal check-out process — in a non-emergency situation, a 'Scout Release Request Form' must be filled out and signed by the following present parties: a parent or guardian, an adult leader from the Scout's troop, and a member of the camp administration. This is to ensure that the Scout is properly accounted for by all individuals and that a written record of this exchange is available in the Camp Office.

In signing this request for release, Scouting America and the parent or guardian mutually acknowledge the following: that there will be no refund of fees, that the Council's health and accident insurance terminates with the Scout's departure from camp, and that Scouting America or its representatives shall not be liable for any loss or injury to the Scout or their property.
