

# CANYON CAMP PROGRAM SIGN UP INSTRUCTIONS - 2022

**WHAT & WHY:** New for 2022, we have created a new and more accessible system for registering your Canyon Camp-bound Scouts for merit badges and program sign-up via a Google Form. Although we ask that you still make sure each Scout is registered by name in Doubleknot, the following Google Form is all you need for program sign-up. We have designed this form in hopes to make it even easier for you and your Scouts to sign-up for their summer adventures!

**WHO & HOW:** This is an individual sign-up form, meaning a submission needs to be done for each individual Scout. We recommend that these be filled out on a laptop computer(s) at a Troop meeting after Scouts have decided which Merit Badges and Program activities to do for the week. A unit leader or parent should supervise, and we recommend that an adult's or the Troop's email address be used for each submission. This will be important for any edits/sign-up changes that may be needed. If preferred, one adult can submit program registration on Scouts' behalf.

**WHEN:** We recommend having all Scouts sign-up for their programs by June 1. It is important to have each Scout submit their Google Form at least 7 days before they arrive to camp.

2022 Canyon Camp Program  
Registration

For Scouts attending Canyon Camp in 2022 to sign-up for their choice of merit badges and program activities!

Signing up for your merit badges before June 1st is highly encouraged, but not required prior to your arrival at Canyon Camp. The Camp Staff is flexible and will allow Scouts to change their sign-up on the first day of merit badge sessions, but we ask that this registration be completed as accurately as possible for convenience.

This form is to be filled out for each and every Scout, so they may confirm their personal schedule and the Counselors for each merit badge will have their name down prior to arrival!

If you have any questions, please send an email out to ([program.canyon@gmail.com](mailto:program.canyon@gmail.com))

Yours in Scouting,

## **QUICK Q & A:**

*What if I need to change or edit a submission?*

- This can be done by finding the email submission receipt sent to the email address used and clicking the 'Edit Submission' hyperlink included there.

*What if a Scout forgets their sign-up choices?*

- Although we recommend writing down your program sign-up choices before or after submission, you can find the sign-up choices in the email submission receipt that will automatically be sent to you.

*Can a Scout change their program selections when they arrive at Canyon Camp?*

- Yes, we are flexible. If Scouts want to change programs, we ask that they communicate with their unit leaders and then attend the new program areas they prefer during the specific merit badge time on Monday.
